Executive Director-Comptroller

Bill:

Ref your questions on the  
substance of Block II --  
It would be the wrong Block  
as II covers Missions and Tasks -- see my  
added highlighting.

The final period, Block VII,  
provides the spots for the suggested items. See  
attached "Scope Notes."

SCOPE NOTE

PPB IN CIA: TOOL OF TOP MANAGEMENT

The Deputy Director of Programming, Planning, and Budgeting (PPB) will briefly describe the concepts of PPB and indicate how they are being applied in CIA as an instrument of managerial control.

SCOPE NOTE

A VIEW OF CIA FROM THE 7TH FLOOR

The Executive Director-Comptroller will look at the Agency from the viewpoint of top management. He will consider major problem areas requiring attention at that level and, as appropriate, indicate approaches to their solutions. He will assess the management process as he sees it, commenting on the different management devices for developing and communicating policy decisions. The Speaker will also discuss the goals Agency management has set for the Senior Seminar and its place in executive development within CIA.
